Welcome to Toormina High School,

Our school is a comprehensive co-educational secondary school with a Learning Support Unit that provides high quality educational programs for all students in years 7 – 12. With a proud tradition of academic, sporting and performing arts excellence, we encourage all students to become actively involved in the academic and extra-curricular activities available.

Our school motto, 'Creating our Future', is the core vision of our teaching, preparing each student as future focussed learners. We value the contribution that each student makes to our school, supporting their intellectual, social, physical and moral growth as we develop each student into responsible adults. To achieve this, we work in partnership with parents, engaging strategies that challenge students to achieve excellent results.

We offer a range of programs that support all students in their development, including an After School Homework Centre, intensive Literacy and Numeracy Programs and Program Based Learning in year 7 and 8. We proudly teach our year 7 students Gumbaynggir language.

The Learning Support Unit provides high quality differentiated learning opportunities for each student through the development of comprehensive individual learning plans, collaboratively developed with parents and students, ensuring each student's learning needs are achieved and students are well prepared to be active and engaged members of the community beyond school.

We provide contextually appropriate learning opportunities beyond the classroom through a variety of excursions that immerse students into the world beyond the classroom. I strongly encourage each student to make a positive mark on our school by engaging in the opportunities available to them throughout their school life and striving to achieve their personal best.

This information booklet offers parents, carers and students information that will support the transition from primary school into high school. It contains information regarding our school faculties, subject requirements and the staff who will be teaching and supporting you.

On behalf of all of the staff at Toormina High School, we look forward to working with you and your family to create a successful transition to Toormina High School.

Regards

Mr Paul Humphrey
Principal

Student welfare is a high priority at Toormina High School. Every student has the *right* to be and feel safe, to be happy and to be given the opportunity to achieve his/her potential. Students who feel that their wellbeing is at risk, particularly if they are being bullied or harassed, should immediately notify their parents/carers and an appropriate person at school that is, a teacher, year adviser, head teacher wellbeing, school counsellor or senior executive personnel. Bullying is dealt with in a way which recognises the needs of both the victim and the bully so that a lasting resolution of conflict can be achieved.

The School Counsellor is concerned with psychological welfare, diagnoses of educational and adjustment issues. Counsellors are available for interview with parents. Prior appointment must be made by telephoning the school.

Careers Adviser – Robyn West

The school has a full time careers adviser who provides information, guidance and advice to help students explore their education and career options, create a resume, search for jobs, apply for jobs and/or apply for further study. Parents may phone for interviews if desired.

GENERAL INFORMATION

Absences

Parents are asked to provide an explanation for an absence within 7 days - this can be done by telephone, via Skoolbag (see page 16), note, email, fax or by replying to a received SMS which are sent out daily. Our school participates in an SMS-based system which enables us to give parents instant feedback when their child is absent from school. SMS messages are automatically generated each day from the Sentral Roll – when a student is marked absent at roll-call.

If there is no reply after 7 days the absence will be recorded as ‘unjustified’ on the school’s official roll and DoE system. In cases of absence for students in Years 11 and 12 who are absent when assessment tasks are due, they may be asked for a medical certificate (see separate Assessment Policy document).

Assemblies

School assemblies are held every Tuesday in the main assembly area. Year group assemblies are conducted periodically by Year Advisers. Special assemblies for awards will be convened as required.

Bicycles and Scooters

Bicycles and scooters must not be ridden in the school grounds. Students are to walk their bikes/scooters to the bike area, where they should be secured with a lock and chain. The bike area is then out of bounds to all students until the end of the school day.

The school has constructed a bicycle shelter to try to provide security, however, it cannot be guaranteed. The shelter will be locked each day. Bicycles cannot be removed from the shelter during the day, unless there is an emergency. In such a case the student requiring the bicycle/scooter is to see the front office.

Students who have permanent early leave passes or students who have to leave early on a given day (a one-off situation) can secure their bicycles to the two racks provided on the outside of the shelter.

Skateboards are **not** to be brought to school.

Bus Travel

Students living outside a 2.0km radius or 2.9km walking distance from the school are entitled to free bus travel. Year 6 - 7 students or new enrolments who have had a bus pass in the previous year need to update their information online <https://apps.transport.nsw.gov.au/ssts/updateDetails> Students who are applying for free bus travel for the first time can apply on line at transportnsw.info/school-students or call 131500 for assistance.

Students who are in a shared parenting situation and need to travel from two addresses need each parent to make a separate application for each address online.

Bus passes are expected to be shown to driver on each bus trip. If you lose your pass you can apply and pay online.

Students are able to Bring Your Own Device (BYOD), specifications for suitable devices are available on the THS website.

Emergency Contact

If a parent or caregiver needs to contact a student at school as a result of an emergency, they are required to call the school's main office and a written message will be sent immediately to the student. If a student needs to make emergency contact with anyone they can do so through the school's main office. Students are not permitted to call a parent/carer on a mobile phone to arrange for the parent to collect them from school. No explanatory note means this will be marked as 'absent unjustified' on the DoE system.

The teacher will take it to the front office and record the details. The device can be collected from the school office at the end of the day. Repeat offenders will face further disciplinary action according to the Department of Education's Student Discipline in Government Schools Policy.

- addresses the diverse academic and social needs of every student to support them to be successful
- supports students in early childhood settings through to senior years of schooling
- enables schools to establish a continuum of supports that are intensified to meet the needs of every student
- is team driven, using a problem solving approach (data, systems and practices) that engages students, parents and all school staff
- establishes positive social expectations for all in the school community
- provides a framework for the school and its community to collectively support the wellbeing of every student.

PBL will enable:

- students to respond positively as they have been taught what is expected of them
- staff to deliver consistent responses to student learning and behaviour
- students to feel safe and cared for at school. Their parents, family and community are more involved in their school.

Parent Teacher Evenings & Individual Appointments

Sport is a compulsory part of the curriculum and is held on Wednesday afternoon for Years 7, 8, 9, and 10. All students participate in Swimming and Athletic Carnivals - participation in Cross-Country is optional.

Problems have arisen in the past with pupils requesting leave on Wednesday afternoons. It would be appreciated if parents could avoid making appointments for the children during this time.

Student Executive Team

The Student Executive Team are a group of students elected by their cohort and staff that play an integral role in the running of school functions and represent the school in the wider community. The Student Executive Team are a visible force within the school, acting as positive role models for the younger students. They also work closely with the school's SRC to coordinate large fundraising efforts and school projects.
