Welcome to Toormina High School,

Our school is a comprehensive co-educational secondary school with a Learning Support Unit that provides high quality educational programs for all students in years 7 – 12. With a proud tradition of academic, sporting and performing arts excellence, we encourage all students to become actively involved in the academic and extra-curricular activities available.

Our school motto, ‘Creating our Future’, is the core vision of our teaching, preparing each student as future focussed learners. We value the contribution that each student makes to our school, supporting their intellectual, social, physical and moral growth as we develop each student into responsible adults. To achieve this, we work in partnership with parents, engaging strategies that challenge students to achieve excellent results.

We offer a range of programs that support all students in their development, including an After School Homework Centre, intensive Literacy and Numeracy Programs and Program Based Learning in year 7 and 8. We proudly teach our year 7 students Gumbaynggirr language.

The Learning Support Unit provides high quality differentiated learning opportunities for each student through the development of comprehensive individual learning plans, collaboratively developed with parents and students, ensuring each student’s learning needs are achieved and students are well prepared to be active and engaged members of the community beyond school.

We provide contextually appropriate learning opportunities beyond the classroom through a variety of excursions that immerse students into the world beyond the classroom. I strongly encourage each student to make a positive mark on our school by engaging in the opportunities available to them throughout their school life and striving to achieve their personal best.

This information booklet offers parents, carers and students information that will support the transition from primary school into high school. It contains information regarding our school faculties, subject requirements and the staff who will be teaching and supporting you.

On behalf of all of the staff at Toormina High School, we look forward to working with you and your family to create a successful transition to Toormina High School.

Regards

Mr Paul Humphrey
Principal
SCHOOL VISION

Toormina High School is a learning community committed to achievement, excellence and care.

THIS SCHOOL STRONGLY SUPPORTS THE FOLLOWING PRECEPTS

Positive Behaviour for Learning
Toormina High School is a Positive Behaviour for Learning school. This is an evidence-based whole school systems approach that:

- addresses the diverse academic and social needs of every student to support them to be successful
- supports students in early childhood settings through to senior years of schooling
- enables schools to establish a continuum of supports that are intensified to meet the needs of every student
- is team driven, using a problem solving approach (data, systems and practices) that engages students, parents and all school staff
- establishes positive social expectations for all in the school community
- provides a framework for the school and its community to collectively support the wellbeing of every student.

PBL will enable:

- students to respond positively as they have been taught what is expected of them
- staff to deliver consistent responses to student learning and behaviour
- students to feel safe and cared for at school. Their parents, family and community are more involved in their school.

Our core expectations at Toormina High School are: Safe – Respectful - Learners.

SCHOOL UNIFORM

All students are required to wear only approved school uniform items. The wearing of full school uniform by all students enhances school tone and the morale of staff and students. We want the calibre and achievements of our students to be fully recognised and appreciated by the wider community, and we recognise that the dress of our students very much shapes the perception of our school by the community.

- Approved school uniform dress items are listed below.
- Hooded, coloured or printed (other than the school logo) tops are NOT part of our uniform, and are NOT to be worn.
- Families can apply for Student Assistance if they have trouble affording uniform items.
- Students unavoidably out of uniform should have a note from a parent/carer, and show it to the Head Teacher Wellbeing who may offer them clean uniform items to wear that day.
- Occupational Health & Safety Requirements stipulate that students must wear enclosed shoes at all times.
- Uniform needs to be modest at all times.
- Excessive jewellery may also present an OH&S hazard and students may be requested to remove such items.

Formal Assemblies are held each semester for the whole school to celebrate the academic achievements of students.

Semester Reports will show one of the following awards for each subject:

Outstanding - The student has an extensive knowledge and understanding of the content and can readily apply this knowledge. In addition, the student has achieved a very high level of competence in the processes and skills and can apply these to new situations.

High - The student has a thorough knowledge and understanding of the content and a high level of competence in the processes and skills. In addition, the student is able to apply this knowledge and these skills to most situations.

Sound - The student has a sound knowledge and understanding of the main areas of content and has achieved an adequate level of competence in the processes and skills.

Basic - The student has a basic knowledge and understanding of the content and has achieved a limited level of competence in the processes and skills.

Limited - The student has an elementary knowledge and understanding in few areas of the content and has achieved very limited competence in some of the processes and skills.

Reports will also show examination mark and class assessment ranking.
STUDENT WELFARE and WELLBEING

Student welfare is a high priority at Toormina High School. Every student has the right to be and feel safe, to be happy and to be given the opportunity to achieve his/her potential. Students who feel that their wellbeing is at risk, particularly if they are being bullied or harassed, should immediately notify their parents/carers and an appropriate person at school that is, a teacher, year adviser, head teacher wellbeing, school counsellor or senior executive personnel. Bullying is dealt with in a way which recognises the needs of both the victim and the bully so that a lasting resolution of conflict can be achieved.

Head Teacher Wellbeing – Scott Gale (Relieving)

The Head Teacher (Wellbeing) is responsible for the general supervision and welfare of students in the school and is available to assist any students with any problems they may have in or out of school.

Year Advisers and Assistant Year Advisers

This school has, as members of the teaching staff, six Year Advisers. These Advisers are appointed primarily to assist pupils with their progression through their school life. They are available for interview, to assist and advise in the following areas:

(a) Personal and educational problems, including choice of subjects and courses of study.
(b) Problems related to school uniform and general conduct.
(c) Problems associated with attendance, punctuality and absentee notes.
(d) Changes from one class to another.

School Counsellor - Ryan Squires and Julie

Students are referred to the School Counsellor by teachers, parents, Child Welfare Services or students themselves. The School Counsellor is concerned with psychological welfare, diagnoses of educational and adjustment issues. Counsellors are available for interview with parents. Prior appointment must be made by telephoning the school.

Careers Adviser – Robyn West

The school has a full time careers adviser who provides information, guidance and advice to help students explore their education and career options, create a resume, search for jobs, apply for jobs and/or apply for further study. Parents may phone for interviews if desired.

Supervisor of Girls - Gaye Devoy

The Supervisor of Girls is responsible for supporting the wellbeing of female students at Toormina High School and has a role in whole school wellbeing issues.

LAST – Learning and Support Teacher – Suzanne Hardy, Leanne Firkins, Maurice Podbury

The Learning and Support Teachers provide learning support for students in years 7-12 who are experiencing difficulty in accessing the curriculum. LAST teachers work predominantly within a classroom setting, and focus on strengthening literacy and numeracy skills. They manage the implementation of Special Provisions for examinations for students with an identified need. They also complete learning assessments for students in Years 7 to 12.
Aboriginal Programs – Gloria Mercy
The Aboriginal Education Officer, Gloria Mercy, works in class and withdrawal settings to support Aboriginal students.
THS Aboriginal Education team assists Aboriginal students, and their parents, transition from primary school to Toormina High School. We host regular morning teas ‘Yarning Ons’ for community members and staff. Our community also join us to celebrate NAIDOC week. The local Gumbaynggirr language is taught as part of our Languages Other Than English Program. THS also run groups in Girls and Boys Dance, SistaSpeak and BroSpeak.

Support Classes – Seanine Cooper, Head Teacher Support
Students with a mild intellectual disability (IM) are supported in a class with a specialist teacher and SLSO (School Learning Support Officer). Students may study at a Life Skills or mainstream level as indicated by a Personal Learning Plan. Students may attend mainstream classes also indicated in their Personal Learning Plan.
Students with more significant intellectual disability or autism are given high level support in discrete classes and follow a special program of study, accessing mainstream classes, as outlined in their Personal Learning Plan.
Students with Funding Support receive support during the transition from primary school to Toormina High School.

Itinerant Support Staff
Specialist support teachers and Student Learning Support Officers assist students with sensory needs as outlined in their Personal Learning Plans.
THS MERIT SYSTEM

A very important part in the development of a safe and positive environment for our school community is the recognition of the efforts students make to help themselves and others during their time at Toormina High School.

To provide recognition for these efforts, a whole school Merit System will be implemented. The system aims to recognise and acknowledge students who make a contribution to their own education and the broader school community. Students can receive VIVO points based on the behaviours outlined on the PBL matrix. Students can also receive VIVO points for the Merit criteria (outlined below). All students entering the school each year are placed on Maroon level.

Students will be recognised for achieving Bronze, Silver, Gold, Platinum or Diamond at each term’s formal assemblies in the Hall. Students will also receive recognition of achieving first, second or third in a subject once per semester at the Major Awards Assembly.

All students must be in full school uniform to accept awards and/or prizes.
Absences
Parents are asked to provide an explanation for an absence within 7 days - this can be done by telephone, note, email, or by replying to a received text message which are sent out daily. Our school participates in an SMS-based system which enables us to give parents instant feedback when their child is absent from school. SMS messages are automatically generated each day from the Sentral Roll – when a student is marked absent at roll-call.

If there is no reply after 7 days the absence will be recorded as ‘unjustified’ on the school’s official roll and DoE system. In cases of absence for students in Years 11 and 12 who are absent when assessment tasks are due, they may be asked for a medical certificate (see separate Assessment Policy document).

Assemblies
School assemblies are held every Wednesday after Period 2, in the main assembly area. Year group assemblies are conducted periodically by Year Advisers. Special assemblies for awards will be convened as required.

Bicycles and Scooters
Bicycles and scooters must not be ridden in the school grounds. Students are to walk their bikes/scooters to the bike area, where they should be secured with a lock and chain. The bike area is then out of bounds to all students until the end of the school day.

The school has constructed a bicycle shelter to try to provide security, however, it cannot be guaranteed. The shelter will be locked each day. Bicycles cannot be removed from the shelter during the day, unless there is an emergency. In such a case the student requiring the bicycle/scooter is to see the front office.

Students who have permanent early leave passes or students who have to leave early on a given day (a one-off situation) can secure their bicycles to the two racks provided on the outside of the shelter.

Skateboards are not to be brought to school.

Bus Travel
Students living outside a 2.0km radius or 2.9km walking distance from the school are entitled to free bus travel. Year 6 - 7 students or new enrolments who have had a bus pass in the previous year need to update their information online https://apps.transport.nsw.gov.au/ssts/updateDetails

Students who are applying for free bus travel for the first time can apply online at transportnsw.info/school-students or call 131500 for assistance.

Students who are in a shared parenting situation and need to travel from two addresses need each parent to make a separate application for each address online.

Bus passes are expected to be shown to driver on each bus trip. If you lose your pass you can apply and pay online.

Canteen
The canteen serves a wide variety of hot and cold foods, drinks and snack foods. Lunch orders may be placed before school or in the 20 minute recess.

Computer Network
Year 7 students will be provided with assistance early in Term 1 to familiarise them with the logon process. When students sign out of the school their network account is automatically deleted. Students are able to Bring Your Own Device (BYOD).

Emergency Contact
If a parent or caregiver needs to contact a student at school as a result of an emergency, they are required to call the school’s main office and a written message will be sent immediately to the student. If a student needs to make emergency contact with anyone they can do so through the school’s main office. Students are not permitted to call a parent/carer on a mobile phone to arrange for the parent to collect them from school. If a student is sick, the class teacher or deputy will direct them to the front office.

Examinations
Examinations are held for each subject each semester during the nominated examination week/s. There are also the following external examinations for students:
National Assessment Program Literacy and Numeracy (NAPLAN) – Years 7 and 9.
Science Validation of Assessment 4 Learning and Individual Development VALID - Year 10 & 8

Homework/Study Habits
Desirably, homework should be done each night. Homework should involve revising, summarising and learning notes and work completed during the day. It may include reading of books, learning of spelling and preparation of work.

Late to School
Students arriving late to school must have a note from their parents/guardians explaining the reason for the late arrival. Late students go straight to class until 9:15am, after 9:15 students must go to the front desk in the school office. No explanatory note means this will be marked as ‘absent unjustified’ on the Sentral Roll system.

Leave Passes
Students seeking permission to leave school during the day are to present a note from their parents to the Deputy Principal before school commences. Leave Passes will only be issued for special occasions. Parents and students are asked to try to keep medical and dental appointments outside of school hours.
If leaving school early, students must possess a School Leave Pass for partial absence which will be issued at the front office after permission has been granted by the Principal or Deputy Principal.

Library
The Library is open before school, at recess and lunch time (excluding Wednesday recess). After school use may be possible by arrangement.
Students are welcome to access all the library resources. Books are available for borrowing. Current magazines, periodicals, daily newspapers, videos, computer programs and the internet are available for use in the library. Students will need to see the Librarian in order to access the computers as they are very popular. The library also provides a quiet haven for reading or studying.
**Lockers**  
School lockers are available for $5 per year.

**Medication and Medical Conditions**  
All students requiring medication to be administered during the school day must hand it in to the front office first thing in the morning with a permission note from parents. Where the medication has been prescribed by a medical practitioner a note from the doctor including dosage requirements must be included.  
If a student suffers from a serious or chronic condition (such as allergies, asthma or epilepsy) it is necessary that parents inform the school of the condition as soon as possible and, when necessary, provide medication and an action plan formulated by the family doctor. If you have any questions or concerns please contact the school on 6653 3077.

**Mobile Phones/iPods and other electronic devices**  
If students bring these devices please be aware that they do so at their own risk. Students who fail to comply with teacher directions to put their mobile device away may have it confiscated, as indicated by the Department of Education. The teacher will take it to the front office and record the details. The device can be collected from the school office at the end of the day.

Security
The school gates are locked between 9.30am and 3:00pm, with the exception of the main front gate leading to the Administration Office.
All visitors to the school are asked to report to the Front Office upon arrival.

Sick Students
Students who are injured or become sick at school are to report to the Front Office. In general, please do not send children to school if they are sick in the morning. Parents will be asked to collect their children from school if they are too sick to return to class from sick bay.

School Socials
School Socials are held regularly. These are for current Toormina High School students only. Teachers give up their own time to organise and supervise School Socials. No student will be released until the social has finished. Socials run from 6:00 p.m. – 9:00 p.m. Strict rules of behaviour and attendance are applied. Tickets have to be purchased prior to the School Social, no tickets are sold ‘at the door’. Students on a current yellow or pink card are NOT permitted to attend.

Skoolbag
Skoolbag is a free app for your smartphone, iPad or tablet which allows you to receive alerts and information instantly from our school. We encourage everyone to install Skoolbag. This is an easy, cost effective means of communication for THS. Skoolbag will be used for all emergency communication. Simple installation instructions are on the back of this booklet, the THS website or contact the school on 66533077.

Sport
Sport is a compulsory part of the curriculum and is held on Wednesday afternoon for Years 7, 8, 9, and 10. All students participate in Swimming and Athletic Carnivals - participation in Cross-Country is optional.
Problems have arisen in the past with pupils requesting leave on Wednesday afternoons. It would be appreciated if parents could avoid making appointments for the children during this time.
The school offers a wide variety of both recreational and team sports. Special arrangements are made during wet weather. During sport periods Year 7 students participate at school and will sample and learn rules and skills for most of the sports that are available as choices in future years.

Sport Houses: The four Houses were formed on the basis of the first letter of your surname:
A – D   Barramundi   Colour - Red
E – K   Marlin       Colour - Blue
L – R   Nannygai    Colour - Yellow
S – Z   Trevally     Colour - Black & White

STUDENT LEADERSHIP and CITIZENSHIP

Students at Toormina High School are expected to display and ‘grow into’ citizenship and leadership roles. Students are expected to make a contribution to their school and community. Students may develop their leadership skills through peer tutoring and membership of the Student Leadership Team.

Student Leadership Team
The Student Leadership Team are a group of students elected by their cohort and staff that play an integral role in the running of school functions and represent the school in the wider community. The Student Leadership Team are a visible force within the school, acting as positive role models for the younger students. Students are encouraged to make suggestions for school improvements or communicate any problems to their representatives for discussion at team meetings. The Student Leadership Team also organises fundraising activities during the year for a variety of causes.

How do you join?
Student representatives are elected after a self-nomination process.
