- All exams have been allocated a double period in the hall to allow for directing students to seats and collection of papers.
- As much as possible I have allocated exams according to subject timetable for core subjects.
- In order for electives to also run exams, I have also allocated an afternoon session for exams to open up times later in the week when electives are on and to allow the hall to be used for classes.
- **NOTE: Period 6 teachers will need to take their students back to class at the conclusion of the exam.**
