

Toormina High School P&C

The Toormina High School P&C are proud to be able to support students with financial assistance to attend a range of sporting, community service, performing arts, cultural and academic events.

Students who are selected to represent the school have the opportunity to apply for financial assistance. Each application will be assessed individually based upon information provided in this form with the following considerations:

1. Applications for students to represent the school at a regional level can be made to a maximum of \$40 per student for each calendar year.
2. Applications for students to represent the school at State or National level can be made to a maximum of \$100 per student for each calendar year.
3. Applications for other assistance could include any aspect where a student represents the school on a regional or State level including performing arts (eg Schools spectacular), community events (eg Kokoda), public speaking or academic representation.
4. Applications for team financial assistance must be made in writing to the P&C as a separate application process. Individuals will not be considered where a team application is made.
5. Students are only able to make an application for assistance where personal financial contribution is required. Students will not be able to make an application if the school has already demonstrated they will be financially supporting students to attend.

.....
Student Name: _____ Year: _____

Parent/ Carer Name: _____ Phone Number: _____
