

### DORRIGO VISIT

Last Tuesday the Room 25 class went to Dorrigo National Park. Students walked in the rainforest and along the Skywalk. They enjoyed the Cultural Centre and were also treated to seeing a lyre bird in the forest.

### Puzzletime

Our students in Room 21 have been showing off their puzzle solving skills. Lainey is our puzzle expert and is keen to demonstrate this to all who show an interest! Darcy is a wonderful cheerleader to all! Well done Darcy and Lainey!!!

### Christmas gifts

One of the projects this year in Room 23 has been propagating and potting succulents. Donations of cuttings through the year have been appreciated and the students have sold their plants at Coffee Shop to cover costs. The class will decorate the remaining pots to be sold as Christmas gifts at the last Coffee Shop of the year on Thursday, November 30.

Work Education Program

Term 4 Week 5 NOVEMBER 2017

Every Friday the Senior Class travel to Bunnings for Work Experience. Their duties include: returning stock to the correct shelves, cleaning the outdoor furniture, BBQs and the kitchen display area. Students also have the opportunity to interact with Bunnings's staff and the community in a workplace setting.

Photo above is half of our Bunnings Team: Willie Irakoze, Iraia Connors, Daniel Ryan and Adrian Smith.

During the last six years students from Toormina High School have been regularly participated in the Work Education Program at Marian Grove.

Students not only learn a range of skills in the garden, they are exploring the nature of work and the skills required for effective participation in a workplace for their future endeavours.

Shown here are Year 10 students: Huon Gilmore, Liam Sims and Tyler Borg, with Miss Zegers and Jo Robb (SLSO).
