

Exciting news!

All our Support Unit students have been invited on our end of year excursion to the Solitary Island Aquarium at the Southern Cross University National Marine Science Centre at Charlesworth Bay. We will learn about all of the creatures that live in our coastal waters!

We will have lunch in the shade and then set out on a scavenger hunt to find the treasure.

Notes have been sent out but feel free to contact Mrs Thornton for more information or another note. Hope to see all of our students there.

Term 4 Week 7 NOVEMBER 2017

Our Support Unit students and Year 10 Peer Support students had a brilliant day at Sportz Central for the Activate Inclusion Sports Day. More photos on the THS website.

All things FRUIT were celebrated in the Support Unit during FRUITOPIA!
Yum yum yum.
